

# September 2024 SoyBase Update

---

## Soybean Breeders Workshop

February 17- 19, 2025

*Hilton St. Louis Frontenac, St. Louis, Missouri*

Registration and poster abstract submission will open on November 1, 2024. This year we have organized an opportunity for participants to attend a special workshop on Data Visualization. This workshop will be taught by Dr. Cory Hirsch, Associate Professor at the University of Minnesota. More details will be provided on November 1st.

A room block is available at Hilton St. Louis Frontenac for February 16th, 2025, through February 20th, 2025. Please make reservations by Friday January 24th, 2025, to ensure group discount. Here is the [direct booking link](#) for the Soybean Breeders Workshop 2025.
