

# ICLGG

2026

## 12<sup>TH</sup> INTERNATIONAL CONFERENCE ON LEGUME GENETICS & GENOMICS

Join us for the 12th ICLGG in 2026! Since its inception in 2002, ICLGG has served as a global forum and brought together up to 400 researchers and professionals to share advances in legume genetics and genomics and their impact on health and sustainability.

## SAVE THE DATE!

 **December 13-17, 2026**

 **Hilton Orlando**  
Orlando, Florida, United States
